FRIDAY, APRIL 26, 2024 LOCAL NEWS AS REPORTED BY KDWA RADIO

Hastings Fire Report: The Hastings Fire Department responded to 16 calls for service for the week ending April 22.

On April 22 at 10:20 a.m. fire crews were dispatched to a gas leak in the 800 block of 9th Street West. Crews arrived on scene at 10:24 and controlled the leak, clearing at 10:55 a.m.

Earlier that morning, on April 22 at 6:41 a.m., fire crews responded to a two-car accident at the intersection of Highway 55 and Pleasant Drive. Crews arrived at 6:44 a.m. and cleared at 7:06 a.m. One person was transported to the hospital.

On April 20, firefighters were busy with a few simultaneous calls, but one of note happened around 12:35 p.m. when crews were called to a reported commercial structure fire at a business on the Frontage Road. Crews arrived at 12:40 and controlled the fire at 12:45, clearing at 12:58. Cottage Grove and Rosemount were dispatched mutual aid but were canceled en route to this call. The fire caused about \$300 in damage and was deemed unintentional, caused by misuse of material or products.

Dumb Criminal: A construction site in Birmingham Alabama was a frequent target for the thefts of tools and materials. A security camera recorded Danny Nielson, 30, boosting a 200-pound jackhammer over a barbed wire fence. A second man backed a truck up to the fence and stood on the tailgate trying to hoist it over. The tool fell forward and smashed him on the leg, breaking it in three places.
